## गोल्डन आई ड्रॉप्स

यह आई ड्रॉप्स बहुत ही फायदेमंद ड्रॉप्स है। बहुत ही लोगोने इस ड्रॉप्स का इस्तमाल करके काफ़ि फायदा हांसिल किया है।

यह ड्रॉप्स नीचे बताये हुए दर्द में काफ़ि सफलता दिलाता है।

• + नंबर (पढने का चश्मा) • - नंबर (देखने का चश्मा)

• झामर • मोती बिन्दु • कलर अंधत्व • रतांधलापन

• आंख सुखना • आंख आना ( लाल हो जाना )

COMPUTER  
VISION  
SYNDROME

• आंख की नस सुखना FLOTTERS

Disturbance Refractive pathy

उपयुक्त दर्द में काफ़ि फायदा होता है।

नीचे बताये हुए दर्दमें कोई भी प्रकार का फायदा नही होगा।

• जन्म जात खोडखापन • कोर्निया (रेटिना फटजाना)

• आकस्मिक इजा होना • आंखोंमें मांस बढना

• मध्य बिन्दु किकि नही बनना

### : उपयोग :

दोनो आंखोंमें ड्रॉप डालकर आंखोंको थोडा ढीलापन से बंद करना। १ या १॥ मीनीट आंखोंमें जलन होगा। इसके साथ ही आंखोंमेंसे पानी निकलेंगे। आंखोंको रगडना नही। बाद में आंखोंमें ठंडक महसूस होगा और अदभूत रीलेक्स होगा। दिनमें दो या तीन बार इस्तमाल करनेसे बहुत ही तेज गती से अनसौचा फायदा मिलेगा।

धन्यवाद

QUALIFICATION & EXPERIENCE

Passed B. Sc. With 1<sup>st</sup> Class in 1971.  
Worked with various Bulk Drug and  
fine chemicals manufacturing  
companies from 1<sup>st</sup> April 1973 to  
1-11-2012 as Junior trainee, Senior  
trainee, Assistant in R & D dept., to  
Chief of R & D Dept.

---

OTHER ACTIVITY

I developed herbal eye drops with  
my individual efforts, which are  
effective in almost all eye ailments. I  
distributed this eye drops freely  
(without charging anything) to  
needy persons for 33 years.  
Subsequently I have started  
charging for it due to higher costs.

PERSONAL DETAILS

Birth Date:	13-10-1949
Height:	5' 10"
Weigh:	76 Kgs
Health:	Normal

---

I Kirankumar V. Shah aged 66 years was in 1<sup>st</sup> year of B.Sc. in 1967, where started having eyesight /vision problem. I had to wear -1.0 ve spectacles. In 1971 completed B.Sc. in chemistry with good mark but my eye sight /vision weakened to -10.5 ve, which was too high.

I tried my level best, consulted various eye specialists, doctors, ophthalmologist & hospitals but in vain.

My family was very worried about my weak eyes. After long discussion & consultation with specialist and experts & their guidance, i started studying Ayurveda Granth so as to find a possible remedy.

After 4/5 years of in depth study of various herbs, their properties & utilities, i concluded to make & utilise various combination to improve vision, strengthen eye.

I prepared eye drops & applied 4 time in a day regularly for about 5 years which gave me miracle result, improving vision -1.0 ve from -10.5 ve.

At this age, i do not required for reading / writing any kind of spectacles nor have gone for any kind of treatment, surgery or operation.

I shared my experience with my associates & during last 36 years, this eye drop has given satisfactory results.

The eye drop made from HERBS, which is recommendable to all age from children to adult & elder (i.e. from 10 years to 96 years) .

#### INDICATIONS:

HERBAL EYE DROPS are an effective solution which helps against all the eye ailments and gives protection against weather hazardous environments , smoke, fumes, auto emission, computer vision syndrome, excessive heat, dust particle, metabolic disorder, diabetic retinopathy, glaucoma, cataract, progressive myopia, corneal ulcers and opacity, floaters, refractive error, low vision, smart phone vision syndrome, optic nerve dryness.

Its regular usage results in bright eyes, sharp vision, clarity and freshness. Herbal Eye Drops enhance, improve and maintain the acuity of vision in all jobs wherever continuous and precise activities of eyes are needed.

**AVOID LASER TREATMENTS ON EYES, IF FAILS, DEMAGE IS PERMANENT & NOT CURABLE**

**NATURALL / HERBAL COLLOIDAL SUSPENSION EYE DROP**

**KIRAN SHAH. ■ : 0251- 2872897, Mo: 9869150973**

Blood Circulates in our body through blood vessels. It provides vital nutrition to each and every cell in the body through minute capillaries.

Similarly our eyes also have minute blood vessels. It also has two different types of transparent fluids i.e **AQUEOUS HUMOR** and **VITRIOUS HUMOR**. Apart from supplying oxygen, these fluids also regulate pressure in eyes. If the **INTRAOCULAR** pressure increases, person suffers from **GLAUCOMA** and needs treatment immediately. Patient suffering from **GLAUCOMA** looses vision gradually, if not treated. This loss of vision is irreversible.

These drops do miracle. Instilling these drops tension start falling down and can became normal without surgery. These drops can be used up to six times in a day in severe Condition.

Apart from Glaucoma these drops are very effective in Myopia and Progressive Myopia. The other condition in which these drops have show positive result are Presbyopia, Cataract, Hypermetropia, Conjunctivitis, Night blindness, Diabetic Retinopathy.

These drops are made from **EXTRACTS** of herbs, roots, bark of trees, leaves, seeds, fruit pee's etc. They are 100% natural and have no side effects. These drops are tried by many patients and have shown positive results. Some of the patients have share their experiences (attached herewith for reference).

Usage of these drops at bed time is highly recommended. At the time of instilling these drops there is slight burning sensation and watering for few minutes.

Dosage - 1- 2 drops 3 times a day.

Note: a) These **EYE DROPS** do not show very positive results in the following **EYE DISEASES**.

- 1) Congenital defect (Child born with eye defect).
- 2) Retinal & Corneal tears, holes, detachment.
- 3) Eye injuries.
- × 4) Where excessive laser treatment has already been performed.

b) Due to climate variations, the **QUALITY** of this **DROP** also varies  $\pm$  5% as **NATURAL/ HERBAL** content varies.

**Disclaimer:** Whatever is stated hereinabove is based on our research, experiments & usage of patients since last 21 years. But the product's efficacy & efficiency may vary on case to case basis, or may prove ineffective in certain cases, for which, we undertake no responsibility or liability.

Date 27/05/2016

### TESTIMONIAL - EYE DROPS

In 2002, Mr.Kiranbhai Shah got introduced with me and my family at Jain social group program. My daughter Ankita Jain, then just 12 years old and used to have spectacles because of eye sight vision problem since 4 to 5 years. Mr.Kiranbhai explained about the eye drop which he produced from herbs only, which is 100% Ayurvedic. He also advised to apply eye-drops to Ankita twice in a day around 40/45 days. Relying on his advice we applied eye-drops to my daughter for around 45 days. My daughter's eye-sight problem got cleared and no spectacles are required at all.

Moreover she completed her school exams, IT engineering and MBA with good marks. Now she is working in a MNC a computer based job since 4 years. She does not have any eye-sight problem and do not require spectacles till now.

Thanks to Mr. Kiranbhai Shah who produces such a wonderful product.

Best Regards,,

  
SUNIL J JAIN

Respected Sir,

I Amisha Inder RataDiya, were suffering from Retina damage.

Four years ago these were suddenly bled in my ~~to~~ right eye, ofom abnormal nerves. Due to this I were getting my vision down & down. Doctors said that there is only one treatment n that is IV in Retina.

I had taken a course of Avastin for three months. Injection for Retina was very Painful. Once blood stoped but after two or three Months these were again bleeding. I had done same for it. later on same thing happened again n started Avastin. I afraid searching for some new.

Some one told me to meet MR. KIRANBHAI and thanks to Kiranbhai as the god came to me. He gave me eye drops to put in eye regularly. Not only the blood stoped but also it improved my vision. Now two years gone ~~it~~ it is leaving without Avastin. No Bleeding at all. Once again thanks to MR. KIRANBHAI.

**TESTIMONIAL**

I am Dr. Suryakant J. Pania. I am been suffering with my vision problem since 1990. I lost my vision due to glaucoma and retinal detachment. The vision after surgery decreased to almost nil and I could only respond to strong lights with no detail in it. This too eventually reduced with time.

Few weeks back I was recommended by Dr. Vishnudatt Acharya to apply the eye drops which Kiranbhai had provided. After applying these drops I realized that the haze had reduced, though a miracle change was no possible due to a magnitude of damage already incurred in my eyes. I still feel that these eyes drops tried its best to help me respond a more to light as then earlier.

I would surely recommend these eyes drops to anyone who comes across to me. I also thank Mr Kiranbhai for the eye drops and wish him all the very best in the future.

Regards,

Dr. Suryakant J. Pania

Hi Mahendrabhai & Ushaben,  
I hope all is well!!!  
Please forward this letter to Kiranbhai on behalf Dina & Mummy.

To whom It May Concern,  
My name is Sharda Surati & I am 83 years old.I have been living in USA for last 20 years.Last year I suffered "Eye Stroke" in my left eye & consequently lost my eyesight completely & developed Gluacoma [build up of high pressure in my affected eye].I suffered 6 months with severe headache.I was extremely miserable. I tried every other medicines in USA but it did not help me.But than I came in contact with Kiranbhai through Mahendrabhai.He gave me few eye drops to be used three times a day which I have been using for last 3 months.Even though I did not get back my vision, my headache is cured & pressure in my eyes have stabilized.I am extremely thankful to Kiran bhai for providing those eyedrops. I continue to use these drops everyday.

Sincerely  
Sharda Surati

Papa,

here is what I have experienced with the eye drops. You can forward this email to Kiranbhai.

---

This is to let you know that I have been using the eye drops for now more than 2 years. Even though I am not using it regularly, it has helped it in making my vision more crystal clear every time I have used for couple of days.

I strongly see a benefit and also recommend more frequent use of these eye drops.

Sincerely,

Paresh M Shah

My son-in-law, Mr. Dinesh T. Pawar residing at **Malegaon**, had started developing " **CATARACTS** " in his both eyes around September 2006. His eyes were checked by Dr. SHAH at NASIK on Nov. 2006, It was found that the " **CATARACTS** " were in a prematured development stage and, Doctor advised us, that the operation should be carried out only after the 'CATARACTS' were developed.

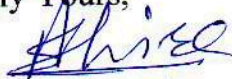

In December 2006, I contacted Mr. Kiran Shah, who had been preparing and experimenting with nature based **EYE DROPS**, which I have given to my other patients, which had given excellent results.

We started the treatment of Mr. **D. T. PAWAR** with the eye drops under reference & observation. Total 4 bottles ( 1x 20ml + 3x5 ml) were used. It was found that the vision slowly improved and on 19-11-2007 the eyes were rechecked by **Dr. MANISH S. SHAH M.S., DOMS, FCPS, DNB (Ophth)** Ophthalmic Surgeon (Consultant Surgeon at **LILAVATI HOSPITAL, BANDRA**), 105-C, Sukh Sagar, Above Kobe Restaurant, N.S. Patkar Marg, Opera House, Chowpatty, Mumbai - 400 007. It was found that the Cataract had not only stopped growing, but had reversed completely. The vision had become normal.

On checking the eye thoroughly, it was found that, the reversal had taken place without damage to any delicate parts of the eyes, organs, blood vessels, tissue, cell and micro capillary vains.

Thanks for your Co- Operation,

Truly Yours,

(Dr. S. P. AHIRE)

## **CATRACT CURED BY HERBAL DROPS**

I had glassy CATARACTS in both the eyes. I was hesitant to undergo surgery as I was aware of the post operative complication of the procedure.

My father-in-law, a Doctor, gave me some herbal drops to put in my eyes, which I did as per his advise. The GLASSY CATARACT disappeared in a few months completely, which I got confirmed by a leading OPHTHALMOLOGIST, in a reputed Hospital, in Mumbai.

Thus I cured my eyes without undergoing surgery and saved money also. During my treatment, I came to know that the same HERBAL DROPS also work on many other eye diseases like GLAUCOMA, COMPUTER VISION SYNDROME, SHORT & LONG SIGHT etc.

**Report of Visual Field examination**

Mr. Dinesh Pawar underwent visual field examination with Humphrey HFA 735 perimeter using central 24 - 2 threshold test on both eye

**Report of examination is as follows**

**Right eye:**

Reliability : Good

Global indices : normal

Findings : No points of reduced sensitivity seen on total and pattern deviation.

Impression : Normal visual field

**Left Eye:**

Reliability : Good

Global indices : reduced MD

Findings : No points of reduced sensitivity seen on total and pattern deviation.

Impression : Normal visual field

## Report of optic disc evaluation with HRT II

Mr. Dinesh Pawar underwent evaluation of optic discs with HRT II scanning laser ophthalmoscope on 19 November 2007 Finding were as under

### Right Eye

#### Global indices

Disc Area	2.944	Large
Rim Area	1.167	normal
Rim Volume	0.237	Normal
Cup Shape Measure	-0.042	Moderate changes
Mean RFNL thickness	0.205	Early changes

**(Moorfield analysis not applicable for disc of this size)**

**Moorfield Regression analysis** all sectors shows borderline parameters except superonasal sector shows abnormal parameter.

Overall classification is borderline

Overall impression: large size optic disc with no probable glaucoma

### Left Eye

#### Global indices

Disc Area	2.866	Large
Rim Area	1.265	Early changes
Rim Volume	0.233	Moderate changes
Cup Shape Measure	-0.031	Advance changes
Mean RFNL thickness	0.206	Early changes

**(Moorfield analysis not applicable for disc of this size)**

**Moorfield Regression analysis** shows abnormal parameter in nasal sector. Superonasal and inferonasal sectors shows normal parameters. Rest all sectors shows borderline parameters.

Overall classification is borderline

Overall impression: large-size optic disc with no probable glaucoma

Dear Shri Kiran Shahji,

Pranams, last week in Dr. Ushakantji Ladiwala's office we met and you had given me vials of your herbal eye drops. I am thankful to your for the same we 3 different persons have tried these drops and have found it very safe and very effective. I am sure your these drops will help a lot more persons if properly approached for this I would like to know for a sum of Rs 10,000/- how many vials you can supply us in boxes of so vials if you give at Dr. Ladiwalas office Bombay or at our trust address we would give this medicine in eye camps which we take for free distribution of spectacles to needy persons. Later on when our mobile van will be ready (sept - oct 2010).

We would take up this distribution at large scale. For present please me know in whose favor I should send a cheque of Rs.10,000/- as an order for the bulk supply of vials.

Thanking You!

Your's sincerely

**From**

Mr. Bhavesh Dharia  
2B, Ganges,  
17, Banganga Cross Road,  
Walkeshwar  
Mumbai – 400 006.

**To Whomsoever it is concerned**

My Father Mr. Dinesh R. Dharia has Glucoma problem and he was having vision of 15% only.

But suddenly he lost the vision of that 15% also, we concerned various eye specialists, but no result and then someone suggested herbal drops by Mr. Kiran shah.

We tried the drops for one month and we found the result satisfactory and then we continued with the same from last 6 months and now he has got approx 10-15% vision back.

We are really satisfied with the drops and except some burning irritation for 5-10 min after putting the drops there is no side effects for the drops.

Thanking You

Bhania.

Mr. Bhavesh Dharia.

डोंगिवली (पूर्व)

प्रति,

श्री. किरणकुमार शहा

डोंगिवली (पूर्व)

महोदय,

मी माझे डोळे सप्टेंबर २००८ मध्ये डॉ. अभिजित वाडेकर, कल्याण मांच्याकडून तपासले. त्यांनी डोळ्यात कॅटेरेक्ट असून ऑपरेशन करायला पाहिजे म्हणून सांगितले. पण काही अडचणीमुळे ५ महिने उलटले व माग पेपर वाचणे, दुकानावरून फ्लकावर लिहिलेले नावे वाचणे, कठीण झाले. त्यामुळे मी अवस्थ सांगे लागे.

जे फेब्रुवारी २००९ मध्ये श्री. किरणकुमार शहा हे डोळ्यांसाठी आयुर्वेदिक डॉक्टर बनविताना असे काढले. हे डॉक्टर डॉ. डी. जी. महालपूरकर वापरतात असे त्यांनी सांगितले. तेव्हा डॉ. महालपूरकरांकडे जाऊन त्यांच्याकडून त्यांना माझी डॉक्टरविषयी मिळालेले पॉझिटिव्ह रिझल्ट देऊन व त्यामुळे माझी शक्ती सांगी.

मी हे डॉक्टर श्री. किरणकुमार शहा यांच्याकडून घेतले. व २ फेब्रुवारीपासून दिवसातून ३ वेळा राक्यात चालू केले. फक्त ३-४ दिवसातच माग दृष्टीमध्ये फरक जाणवायला चालू झाले, म्हणजे अक्षरे व दुरचेपण थोडे साफ दिसायला लागले. दुका महिन्यातच माझी अवस्थ अवस्थी इतकी सांगी.

व मी पेपर मधील खारीक अक्षरेसुद्धा वाचण्यात आणतो. नंतर उवेळा जमत नसल्याने दिवसातून २ वेळा हे डॉप्स मी टाकतो हे डॉप्स डोळ्यात टाकल्यावर १ मिनिट डोळ्यांची फार जळजळ होते व अशु डोळ्यांतून निघतात. डोळ्यांवर त्यामुळे काहीही कार्ट परिणाम झाला नाही.

मी श्री. किरणकुमार शहा यांना एवढे चांगले आयुर्वेदिक डोळ्यांचे डॉप्स बनविल्याबद्दल धन्यवाद देतो व पुढील आयुष्यात त्यांना त्यामध्ये उज्ज्वल यश लाभो ही ईश्वरचरणी प्रार्थना.

09869219642

महोदय,

मी माझे डोळे सप्टेंबर २००८ मध्ये डॉ. अभिजीत भाडेकर कल्याण यांच्याकडून तपासले. त्यांनी टाक्या डोळ्यात कॉन्टॅक्ट ब्रून ऑपरेशन करायला पाहिजे म्हणून सांगितले. पण काही अडचणीमुळे ५ महिने उलटले व मला पेपर पाचणे, दुकानावरील फलकावर लिहिलेले नावे पाचणे, कठीण झाले. त्यामुळे मी अक्षरबध झालो होतो.

फेब्रुवारी २००९ मध्ये श्री. किरणकुमार शहा हे डोळ्यांसाठी आयुर्वेदिक डॉप्स बनवीतात असे कळाले. हे डॉप्स डॉ. एन. जी. महालपूरकर यापरतात असे त्यांनी सांगितले. तेव्हा डॉ. महालपूरकरांकडे जाऊन त्यांना या डॉप्सविषयी मिळालेले पॉझिटिव्ह रिझल्ट ऐकले व त्यामुळे माझी खात्री झाली.

मी हे डॉप्स श्री. किरणकुमार शहा यांच्याकडून घेतले व २ फेब्रुवारीपासून दिवसातून ३ वेळा टाकायला चालू केले. फक्त ३ - ४ दिवसातच मला दृष्टीमध्ये फरक जाणवताला चालू झाले, म्हणजे अक्षरे व दूरचेपण धोडे भाफ दिवायला लागले. एका महिन्यातच माझी अक्षरबध अक्षरबधा दूर झाली व मी पेपरमधील खारीक अक्षरेसुद्धा वाचताला लागलो. नंतर ३ वेळा जमत नसल्याने दिवसातून २ वेळा हे डॉप्स मी टाकतो. हे डॉप्स डोळ्यात टाकल्यावर १ मिनिट डोळ्यांची फार जळजळ होते व अशु डोळ्यांतून निघतात. डोळ्यांवर त्यामुळे काहीही कार्ट परिणाम झाला नाही.

मी श्री. किरणकुमार शहा यांना एवढे चांगले आयुर्वेदिक डोळ्यांचे डॉप्स बनविल्याबद्दल धन्यवाद देतो व पुढील आयुष्यात त्यांना त्यामध्ये उज्ज्वल यश लाभो ही ईश्वर चरणी प्रार्थना.

महोदय,

मी वरील पत्त्यावर रहात असून गेले काही महीने डोळ्यांच्या विकाराने त्रस्त होतो. मी श्री किशोरभाई संघवी यांच्या मार्गदर्शनानुसार त्यांच्या ट्रस्टचे अंजन (आय झॉप्स) वापरले व सध्याही वापरत आहे. माझ्या दृष्टीने मला त्यांचा भरपूर फायदा झालेला आहे. हे एक प्रभावी झॉप आहे, पण त्यांच्या ट्रस्टंना एक विनंती आहे की त्यांची किंमत सर्वसाधारण लोकांना परवडेल अशा किंमतीस असावी.

आपला.

### WHOSOEVER IT MAY CONCERN

Certified that the HERBAL MEDICINE prepared by Shri Kiranbhai Shah to be instilled in the eye for different eye problems does not have any untoward reaction even after continual use for months.

At least two patients whom I know, were benefited by the local application of the medicine.

- 1) Post operative glaucoma
- 2) Cataract.

It is further stated that myself & my family members have used this medicine for more than six months. Except burning & irritation of the eyes for about a minute, no untoward reaction was noted, nor any damage of delicate parts of EYES.

★ NIRMALA NURSING HOME ★

9-12-2008.

Dear Kiranbhai,

I thank you for eye-medicine, that you had given me for my personal use. I was unable to use the drops thrice as suggested by you but was able to do so twice on a regular ~~daily~~ basis. As requested by you I also got my eyes tested before starting the medicine. At that time my age is 54 years, height 5'5 1/2" & weight 63 Kgs. My numbers were:

Distance : - 2.75

Reading : - 1.00

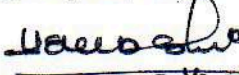

After four months of such regular usage I got my eyes retested & was extremely happy to learn that the result was amazing. The post usage numbers are:

Long Distance : - 2

Short Distance : 0.00.

All this without any damage to any delicate part of the eyes. This is truly astonishing & I congratulate you on the wonderful eye medicine that you have formulated.

Thank you, very much.

Dear Mr Kiranbhai,

I have used the Ayurvedic Eye drops kindly supplied by you. I am a 61 years old businessman and I used to retire to bed at night with tired eyes, sometimes burning.

After using the eyedrops, for 15 days(Only once a day, before going to bed), the tiredness of the eyes and burning sensation have disappeared. My eyes are very fresh again. My staff have used the eye for conjunctivitis also effectively.

Thanks for your good work and wishing you the best

### Case Summary

Mr. Sachidand Shah a 53 years old one-eyes gentlememen has been under treatment for glaucoma at our institute since 19995.He is a high myope. He is under treatment for glaucoma and is on with glaucamol 0.5% eye drops twice a day and Alphagan-p eye drops and Dorzox eye drops thrice a day in right eye . He has history of epiretinal membrane at macula with vitreo macula traction in right eye. He has under-gone left eye orbital expansion with orbital implant on 21<sup>st</sup> Nov,03.

On examination on his last visit on 1<sup>st</sup> Oct,07, his best corrected visual acuity for right eye is 6/36 with eccentric fixation ,with telescope glasses is 6/18 for distance and N18p for near vision with hand held magnified .

Slit-lamp examination shows a normal anterior segment with well centered posterior chamber lens.His intra-ocular pressure measured by applanation tonometer was 14 mmHg in right eye .

Dialted retinal evaluation of right eye showed vitreous floaters, near total cupping of optic disc with marked pallor , myopic fundus with laser marks in periphery.

He has been given a trial of low visual aids and is not very comfortable with telescopic lens or hand held magnified glasses.His is advised to continue his antiglaucoma medication and be under regular follow-up.

Dombivili (E)  
Next To. Sheoan Maruthi Mandhir,

Dear Kiran Bhai,

I am very glad to inform you that your Auyurvedic Eye drops given to me for esinstilling then in my eyes are quite effective.

Please note that I have only one eye and that also has severe Glaucomol as a result of which my vision drops considerably and at present I am poor sighted.

However your drops enable me to enhance what ever little vision I have which gives me courage to travel daily by train from Churchgate to Vasai and Vasai to Churchgate and with help of the person i.e. I continue use your drops and request you to arrange non stop supply of these drops for my benefit.

I am sure that person using this drops must be benefiting and I also wishing great success in whatever venture you under take.

With Warm Regards,

  
Sacchidanand J. Shah

P.S.: Enclose please find copy of the latest report of my Eye from Bombay City Eye Institute, Bombay.

**TO WHOMSOEVER IT MAY CONCERN**

I, K.C. SEN – aged 66 years staying at Dombivli East. I have been using spectacle from the age of 45, that time my eye sight was minus 0.5. At every 4 to 5 years, the range was increasing. *2 went up to -1.75 Helen*

I came to know that Mr. Kiran Shah use to prepare eye drops for any sort of effected eyes. I approached to him and started using his medicine prepared by him. After using for a month or so, I started realising some changes in my eyesight. I gained confidence and continued to use the medicine 3 times a day.,

Perseverance made me spectacle free for the last 1-1/2 years. Presently, I am using the medicine once a day. Many many thanks to Mr. Shah. I wish he should continue to dispense the medicine for the benefit of mankind. Hats off to him.

K.C. SEN

### TO WHOM SO EVER IT MAY CONCERN

This is to confirm that the Ayurvedic Formulation developed by Shri .Kirankumar V.Shah for the treatment of cardiac ailments viz.,restoration of lipid profile levels to normalcy, treatment of atherosclerosis, strengthening of myocardial muscles has been tested on three patients suffering from multiple blockages in arteries. Three patients had been suggested to undergo bypass surgeries.

After initial consumption of medicine, these patients showed marked increase in their energy levels and expressed satisfaction with the use of the above medicine.

However, since there was no official clinical trials are being conducted for this medicine, the patients finally had to undergo CABG surgery, as earlier planned. There were no side effects from the consumption of this medicine.
